I have a 25% discount set up on Hawk pads of all types. See the group buy thread here: 944spec.org/944SPEC/component/option,comimit,6/limitstart,0/
If you guys already have a sponsor or deal set up, please disregard this. I'd like to close this up within a week if we can get 5 more sets sold to meet this price.
Jay Andrew had Hawk make a run of DTC coumpound -70 in front - 60 in the rear, specially for 944 Spec - nice pads!

Prices are on the Midwest group buy thread. Call Jay Andrews (330) 485-4848 directly for shipping information. Mention the 944 Spec group buy. Shipping is not discounted, sorry.
