

Autoclub Speedway, March 1 & 2

Posted by dancing944 - 13 Feb 2014 15:18

Yes, I've been a little quiet lately. But the season is upon us now, and I'm looking forward to racing at Fontana March 1st and 2nd. No doubt some of you have updated your 944 Spec cars, or at least had some cool looking flames painted on the side! So get signed up early, while the discount still applies. We always have a good turnout for this event. I would like to see this one be at least as good.

See you soon, Everett

Found a couple of great articles about car set up and acing in the rain.

Both should be relevant to this weekend.

If you have questions about setup at the track or line choice for rain racing be sure to ask. I have no issue sharing.

See you Friday!

given the weather outlook, I rented a garage. To avoid appearing antisocial, I will come eat your food. I will also bring some fine product from Culture Brewing Co.

John, it's great you're returning. It will feel like the old band is getting back together again.

The garage idea is an excellent one. Gang, garages are inexpensive, let's sign up now! It's supposed to be raining hard this weekend.
