Autoclub Speedway, March 1 & 2 Posted by dancing944 - 13 Feb 2014 15:18

Yes, I've been a little quiet lately. But the season is upon us now, and I'm looking forward to racing at Fontana March 1st and 2nd. No doubt some of you have updated your 944 Spec cars, or at least had some cool looking flames painted on the side! So get signed up early, while the discount still applies. We always have a good turnout for this event. I would like to see this one be at least as good.
See you soon, Everett

remember following Tyler through that last turn leading onto the front straight and seeing him slowly bull away through that stretch. He took a tighter line than most, very close to pit entrance.
Those rolled curbs in the kink will be important to be aware of. Some drivers like to hang right tires off there, but that might not be a good strategy now.
Last I heard, we have Charlie, Jim, Jim, Katherine, Tom and me. Is anyone going to try to get there Friday night?
