944-SPEC - 944SPEC - low cost wheel to wheel racing Generated: 5 September, 2025, 23:02

spec car candidate Posted by pixrken - 24 Apr 2008 03:07
Don't know anything about this car or owner but looks like a good spec car candidate for \$750.
transaxles are pretty cheap if that's what require to get this thing running and it has a set of cookie cutters.
