

East Championships front running car for sale!

Posted by danl4444 - 19 Oct 2017 12:58

Very maintained nationally competitive car for sale. 1986 chassis with '88 motor, new shocks, all new bearings (front and rear), new turbo radiator, weltmeister bars, spare wheels, momo cool suit can be included.

If you would like to check results, driver was Jason walsh at VIR and Atlanta.

Car is track record holder at Pueblo and PPIR

I can get this car to your door for 8k firm. If you pickup yourself we can negotiate.
