WTB Door/window seals

Posted by joeblow - 07 May 2014 09:19

Guys I am still driving my Spec944 on the street and am installing lexan side windows with sliders so I can gut the doors as I put the cage in and still stay dry!

Anyway I need to replace the two seals for the windows (the surround and the lower scraper) on both sides. I can buy new but I thought that most Spec944 cars dont keep these so does anybody have any that are not weathered and cracked?
