Looking to	be Co-Driver in AB Enduro	(7/16)
Posted by jaje - 0	06 Jul 2010 07:49	,

I'll be making the AB race July 17/18 and will be getting in right before the Enduro starts. I won't have time to run my own car as I have to get the annual NASA done (no shops close to me here that I can get it before hand) and get the trailer / car unpacked. So I'm looking to co-drive if anyone is around.
