| mportance of spring plate cover mount Posted by nkgosselin - 08 Apr 2009 08:47  |
|---|
| am ordering parts to redo my entire suspension.   |
| One part that elephant racing makes is the spring plate cover mount that is \$260 for the pair. OE rubber mount is \$60 each. |
| Are these critical to the performance of the car and worth upgrading or renewing?   |
| Just have not read too much about this part.  |
