GoRacingTV.com is looking for a few volunteers for an upcoming video shoot.

We are shooting a few new episodes this weekend (May 16-17) in Belews Creek NC, just north of Greensboro NC. We are looking for race cars to use in the new episodes. Your cars will be highlighted on our show and seen by thousands of viewers in the US, Canada and the UK (great opportunity to give your sponsors more exposure). We will use your car to demonstrate some of the newest products on the market today. Cars will have to be dropped off at shoot location by 8PM Friday and picked up after 6PM Sunday.
